CONDITIONS GOVERNING ACCESS TO OFFICIAL RECORDS  
FOR HISTORICAL RESEARCH PURPOSES

1. I will abide by the regulations for safeguarding classified information issued by the Federal agency to which this application is being made or regulations which otherwise have been made applicable to the conduct of my historical research by the aforesaid Federal agency.

2. I understand that any classified information which I receive affects the national security of the United States.

3. I agree to safeguard the classified information or material, to which I gain possession or knowledge as a result of my access to files of any Federal agency, in a manner consistent with Executive Order 11652 and National Security Directive of May 17, 1972.

4. I agree not to reveal to any person or agency any classified information obtained as a result of this access except as specifically authorized in writing by the Federal agency which approved my access, and I further agree that I shall not use the information for purposes other than that set forth in my application.

5. I agree to submit my research notes for security review, to determine if classified information is contained therein, prior to their removal from the specific area assigned me for research. I further agree to submit my manuscript for a similar review, if required, prior to its publication or presentation. In each of these reviews, I agree to abide by the decisions to safeguard official information in the interests of the security of the United States, including the retention or deletion of any classified parts of such notes and manuscript whenever the Federal agency concerned deems such retention or deletion necessary.

6. I understand that failure to abide by conditions in this statement will constitute sufficient cause for cancelling my access to classified information and for denying me any future access, and may subject me to criminal provisions of Federal Law as referred to in 7, below.

7. I am aware that the provisions of Title 18, U.S. Code, "Crimes and Criminal Procedures" and of the "Internal Security Act of 1950", as amended (Title 50, U.S. Code), prescribe, under certain circumstances, criminal penalties for the unauthorized disclosure of information respecting the national defense and for loss, destruction or compromise of such information.

THIS STATEMENT IS MADE TO THE UNITED STATES GOVERNMENT TO ENABLE IT TO EXERCISE ITS RESPONSIBILITY FOR THE PROTECTION OF INFORMATION AFFECTING THE NATIONAL DEFENSE. I UNDERSTAND THAT ANY MATERIAL FALSE STATEMENT WHICH I MAKE KNOWINGLY AND WILLFULLY WILL SUBJECT ME TO THE PENALTIES OF TITLE 18, U.S. CODE, SECTION 1001.
